The Board

Except for having to do the “broek-uit-op-je-hoofd” way more often than needed... Each board member also has some serious duties. We’ve listed them here so you know who to contact with your questions.

Chairman: Miles van Rossum

The Chairman is the point of contact for members and external parties. The Chairman is responsible for planning and chairing the board and General Members Meetings (GeMeMe’s). Making sure that those are conducted according to the constitution (statuten) and that matters are handled in an orderly and efficient way. The Chairman ensures that all board members are fulfilling their duties and are content in their roles.

You can contact Miles for all your general questions or questions about association matters.

Secretary: Luuk Oppe

The Secretary is responsible for the membership administration, competition administration, competition t-shirts and minutes for all the board and GeMeMe’s. He also writes the monthly infomail where you’ll find all the necessary information about the upcoming month such as the upcoming parties, games or other important information, so make sure you read it!

You can contact Luuk about membership administration, competition affairs, competition clothing and general questions.

Luuk is one of the Internal Confidential Advisors of the association.

Treasurer: Casper Koopman

The Treasurer is jointly and severally liable for all the finances of SVU. He manages the finances of SVU Volleyball and outlines the financial policy. Next to that, he is the treasurer of our biggest event: the International Tournament (IT). The Treasurer also provides the board and other committees with financial supervision.

You can contact Casper for all your questions regarding money e.g. the contribution.

Head of Technical Committee: Milou Ronner

The Head of Technical Committee takes care of all technical affairs, trainers, trainings, and referee affairs. She makes the training- and referee schedules and obviously, she is also the head of the Technical Committee (TC) where she chairs the meetings and supervises the members of the TC.

You can contact Milou with any questions regarding trainers, technical affairs and the referee schedule.

Commissioner of External Affairs: Anissa Strengholt

The Commissioner of External Affairs is the point of contact for the (business) relations of the association, such as sponsors. She promotes the association, chairs the Promocie and guides other committees where necessary in the organization of their promotion. The Commissioner of External Affairs also manages the SVU Volleyball website and several social media channels. Make sure you follow @SVUVolleybal on instagram so you'll never miss an update.

You can contact Anissa about sponsors, promotion and social media. Anissa is one of the Internal Confidential Advisors of the association.

General Information

Privacy policy

SVU secures the private data of all members. At the beginning of the year, we ask you to sign a consent form to allow us to keep you up to date about all activities and the likes within SVU. You can find our privacy policy on the website www.svuvolleybal.nl.

Supervisory Board (Raad van Commissarissen (RVC))

The Supervisory Board is the supervisory organ of SVU. They have the task of making sure that the board is following the policy that they laid out, and of overseeing all general affairs within the association. They strive for the betterment of the club and advise the board with their experience.

Internal and External Confidential Advisors

If there is anything you're having difficulties with (personal or SVU-related) and you would like to talk about it, there are three Confidants available. Within SVU this will be two of the board members: Luuk Oppe (Secretary) and Anissa Strengholt (Commissioner of External Affairs). Information shared with them will stay completely confidential and won't be discussed within the board or elsewhere.

If you would like to talk with someone outside of SVU, you can contact Nicole de Boer. She used to play at SVU and is happy to help you with anything you might be struggling with. Information shared with her won't be discussed within SVU or elsewhere. You can always send her a message +31 6 83542951.

Website

SVU has a beautiful website! Here you can find the information contained within this booklet, the training schedule for the coming year, the teams, and other documents such as the privacy policy, the club rules and the constitution. So take a look at www.svuvolleybal.nl.

Social Media

A lot of information gets spread through email and our social media channels. There's a general Facebook-page and a private Facebook-group, both are titled 'SVU Volleybal'. Most will be shared via Instagram @svuvolleybal. Last but not least, make us TikTok famous @svuvolleybal. Make sure to follow us and check your email regularly so you won't miss out on any important updates or (more importantly) all the fun!

Whatsapp groupchats

Another important way to stay informed about everything that happens within SVU are the groupchats. First, we have the 'SVU Announcements' groupchat in which only the board can send messages. We will inform you about things like sign up lists and other important announcements. Secondly, we have a more informal group chat, the 'SVU 4 ever' chat in which everybody can just share anything they want, like where the house parties are ;)

SVU ANNOUNCEMENTS

Activities

Theme parties

SVU'ers love parties, but not just any party... Almost every party at SVU is themed, for example on Halloween or Valentine's day. Pull out all stops and show off your best outfits because SVU'ers take these parties VERY serious!

Home game days - Super Saturday

On home game days the sportscenter will be filled with matches of all kinds of SVU teams! Rounds start at 12:00, 14:00 or 16:00 so come and cheer for your favorite teams... Especially on Super Saturdays! On these days, so many SVU teams play that the ACCO organizes all kinds of fun games such as volleyball bingo or betting on the outcome of matches.

Borrels

Every once in a while a borrel is organized at which we can casually have a drink (or two) and talk about all that's going on in each others life (but to be honest, what else do we have in our lives besides volleyball?).

Tournaments

During the season there are several tournaments such as the Friends tournament, Oliebollen tournament and Easter tournament. Share the SVU fun and invite some friends or create your own SVU dreamteam and beat everybody!

Introduction events

We start off every year with an exciting introductory period which includes an introduction activity and weekend! Go wild on the introduction activity and show your best skills. To get the best ins and outs of SVU, you should definitely go to the introweekend. And let's be honest, what better way to get to know each other than by sleeping together?!

International Tournament (IT)

With teams coming from all over the world this is SVU's biggest tournament of the year. From Friday until Sunday we'll be playing volleyball and partying non-stop. Every year, the tournament has a different theme, which SVU'ers adhere to very fanatically. Curious about the theme and tournament? Follow @itsvuamsterdam on instagram!

Winterbeach

Unfortunately, the sun doesn't shine all year in the Netherlands. To give you the summer feeling anyway, SVU organizes a Winterbeach tournament annually. For one winter day SVU'ers play beach volleyball against each other for eternal fame in the depths of Aalsmeer.

Driekamp

The Driekamp will give you the opportunity to play with your new team for the first time and get a taste of what the upcoming season will bring! You'll be dueling teams from different clubs during the day and party with them during the night.

Night Tournament (NT)

Playing volleyball all night long? That sounds like a dream! Well, with the NT it becomes reality. Each year, we host the NT and invite teams from across the Netherlands to participate. We'll be playing a full tournament and after we'll dance 'till sunrise with another incredible themed party! Some teams will even stay the night in the sportscentre... or maybe you can offer them a place to sleep?

Beercantus

An uproarious night of beer-filled melodies? Look no further than SVU's Beercantus! This event is filled with dirndls, lederhosen and lots of beers. The choice is yours: leave the evening drunk ór without a voice.

Beach Volleyball Season

From the beginning of May until the end of June we'll move from indoor to outdoor. The Beachcie organizes weekly trainings for everyone and a lot of beach tournaments. These tournaments are open to SVU'ers and friends! We'll wrap up the end of the season with a fun beach tournament followed by a closing BBQ.

SVU Prom

Once a year, there is a time for SVU'ers to glitter and glamour. Sportswear is exchanged for the highest heels, most beautiful dresses and actual tuxedos. You might be crowned the next SVU king or queen!

HAJRAA

Hajraa is a student volleyball association in Eindhoven who organises the biggest grass volleyball tournament of Europe in Eindhoven. All SVU'ers sleep in a massive tent and on Saturday and Sunday we play volleyball on grass. After we're done with volleyball for the day, there is an amazing party every night with some special "brabantse gezelligheid." The perfect combination of camping, volleyball and partying!

Active Members Party (AMP)

Some will say its the best activity of the year, others would simply have no clue what it's all about... At the end of the indoor volleyball season, the board organizes an exclusive activity for the members of SVU who have earned at least 4 stars (see how you can earn stars in the committee overview). This is the board's way of thanking everyone who has done a lot for SVU the past season. The activity will be kept a secret until the very last moment.

Surftrip

SVU4EVER right? Even in the summer holidays, we cannot do without each other. That's why we go on holiday together and learn a new sport: surfing! But honestly, besides all that surfing, there is plenty of partying, beach volleyball and we play endless games!

Committees

Luckily, SVU has a lot of members who love helping out and organizing events to make sure each SVU year will be amazing! Would you like to contribute to SVU, meet a lot of new people and join a committee? Then contact our committee coordinator Dae Barentz. You can send her an e-mail at commissiecoordinator@svuvolleybal.nl or shoot her a message +31 6 28163907.

SVU works with a star system. By joining a committee you can earn stars, and if you earn 4 stars or more you'll get an invitation to the annual Active Members Party (Actieve Leden Feest (ALF)).

Subcommittees ★

SVU has various subcommittees who help with different (big) events such as the Night Tournament, the International Tournament or the intro-activities! E.g. Foodcie, Matchcie, Partycie.

InTeam ★ ★

Where there are handsome people, there is gossip. The InTeam writes everything down and makes sure there's a juicy club magazine a few times this season. Are you a born writer or a sneaky listener? Join the InTeam!

Promocie ★ ★

The Promocie makes sure that SVU is represented on all introduction days. Besides that, they will capture all the golden moments during events and matches, and make sure these will be shared on SVU's various social media platforms.

Smoelenboekcie ★ ★

First impressions matter, right? You have probably been attacked by the Smoelenboekcie for a beautiful headshot already during the try-outs. The Smoelenboekcie makes sure every member is photographed and represented in the Smoelenboek to give everyone a nice insight of all the teams at the start of the season.

Wispocie ★ ★

SVU is going to the snow! Sucker for (après)skiing? Join the Wispo and help organize an amazing SVU winter sports trip!

Mercie ★ ★

Do you have an eye for fashion or are you bursting with creativity? Join the Mercie and make sure all members are provided with amazing merchandise in SVU style.

Mediacie ★ ★

Are you used to looking at life through a lens? Then the Mediacie is perfect for you! Unleash your creativity and capture all the handsome SVU'ers during events and matches.

Surfcie ★ ★

Sun, sea, surfing and beach volleyball, what more do we need? Join the Surfcie and organise the ultimate SVU summer trip and make sure we survive (haha) this trip!

Arcie ★ ★ ★

SVU is obligated to have VS3 and VS3 second referees. Therefore, we are really happy with the members who decide to be a referee for SVU. The Arcie exists as a way of thanking the VS3 and VS3 second refs. With the Arcie we will have 2 or 3 outings a year exclusively for members of the Arcie. Want to join us in our next outing? Contact Milou and become a ref at a higher level!

Introcie ★ ★ ★

The Introcie organises all the bonding-activities for new and old members and makes sure to create new friendships (and lines? → See p. 20 for the meaning of lines).

Beachcie ★ ★ ★

After the last indoor matches are played, it's time to switch to the sand. The Beachcie takes care of the beach practices and organises lots of fun tournaments, so you can still enjoy playing volleyball during summer!

NTcie ★ ★ ★

Google, play: Lionel Richie - All Night Long. The NTcie (Night Tournament Committee) organises a night tournament filled with volleyball, fabulous outfits and of course a party to end it all.

Acco ★ ★ ★ ★

The Acco organises most of the activities during the season. From parties to gamenights, the Acco takes care of it. Are you a sucker for organising crazy events? Come and join the Acco!

ITcie ★ ★ ★ ★

Want to be in charge of the biggest tournament of the season? Then the ITcie is the right place for you! This committee organises an amazing tournament in November. For two nights, volleyball teams from all over the world visit Amsterdam to play and party in SVU style!

There are also some 'special' committees you can't just be placed in, such as the Technical Committee, the RvC and the Kasco.

For the Technical Committee, the TC selects members that seem the right fit. This can be the case if they have experience with being part of a technical committee already, members with a lot of volleyball knowledge or members that will stay for a long period within SVU.

Technical Committee (TC) ★ ★ ★ ★

The TC observes everyone's volleyball skills during the try-outs and takes care of the team divisions within SVU. The TC also provides the contact persons who are concerned with any technical issues with the teams throughout the season.

The RvC consists of people who have done a board year within SVU or another (student) association. In case an empty spot opens, they will find a replacement before the new season starts.

Raad van Commissarissen (RVC)/Supervisory Board ★

The RvC makes sure the SVU board is being supervised during their board year. Important decisions get run by the RvC and they also make sure the annual SVU policy is reviewed before presenting it during the first GeMeMe. Besides that, the RvC helps the board with picking their successors and if certain board members don't fulfil their duties, the RvC might step up to help out.

The Kasco will be picked during the last general members meeting of the year and is shaped by people who have experience as a treasurer or have a specific educational background, such as people who study Econometrics or Finance.

Kasco ★

The Kasco keeps an eye on the treasurer and SVU's budget. They will make sure that all financial transactions are checked and will report on them during the GeMeMe.

COMPETITION AFFAIRS

Home Match Nights

Again the sportscentre has given us a few Thursday evenings to play our home games, so make sure to put those dates on your agenda and come cheer for the other amazing SVU teams! Besides Thursdays, we sometimes play home matches during the week which are usually played in a different location than the VU sportscentre. Pay attention that even there, it is our responsibility to set up and clean up the courts and to bring a referee.

Home Match Days

On home days almost every team will play, so it is an exciting full day of volleyball. When you are playing in the first round (12:00) make sure to come a bit early to set up the court and when you play in the last round (16:00) make sure to clean up the court as well. After your game, feel free to stay for some drinks and some cheering!

Moving Match Dates

Most teams check their agendas at the beginning of the season to see if they have enough players for each match. If this is not the case, there is the possibility to reschedule the date or time of the match. Request this at least one month in advance by sending an e-mail to the secretary at secretaris@svuvolleybal.nl or text Luuk +31 0614510420. The secretary will bring you in contact with the opponent, so that both parties can agree upon an amicable replacement date.

Match shirts

At the first training sessions you received the SVU match shirt. This shirt is a loan. Wash your shirt inside out at 30 degrees and make sure to take off any tape that is still on the shirt! At the end of the season you will receive a message from the board requesting you to return your shirt. Do this as fast as possible. If you do not return your shirt or you return a faulty shirt, you will be fined 40 euros.

My Competition (App: 'Mijn volleybal')

The 'Mijn Volleybal' Nevobo app is the official app, which keeps everyone up to date on the schedule. The app provides you with all the current volleyball information on your favorite teams, associations and competitions in a quick, easy and transparent manner. You can monitor upcoming matches and results, as well as check the pool standings. Scanning the QR code below will allow you to download the app! The app is in Dutch, but the schedule is still very useful. You can also find this information at the website of the Nevobo: www.volleybal.nl. It is also possible to export the game schedule to your online agenda, go to www.volleybal.nl and find the schedule for your own team. At the bottom of the page there is a button with 'programma exportereren.' If you click on this you can download the schedule and add it to your agenda.

Refereeing

Home game matches are led by referees from SVU. The Head of the TC will send a refereeing list for all the home games, one for each half of the season. Make sure to divide the games that your team has to referee evenly among the team and make sure that there is always someone there. If no one of the team is able to referee a certain game, make sure that you find a replacement by, for example, asking in the WhatsApp group chats whether someone could take over (in exchange for a price/beer?). If there is no referee at a match, the Nevobo will charge a fine, which has to be paid by the originally assigned team or person who had promised to referee.

V6 - Beginner Referee (up to 3rd class)

Every player at SVU is obligated to have at least their VS1. You'll need this to be able to referee a game, so make sure you do this! You can get your VS1 by passing a test on volleyball rules. The test can be found by going to <https://www.volleybalmasterz.nl> and logging in with your Nevobo account. This test is only available in Dutch, so help out your international teammates by taking the test together with them! It won't hurt to refresh your memory on the rules and you have unlimited attempts. Make sure you've passed this test before October 1st. If it's not working, for whatever reason, please contact the Head of the TC (Milou).

V4 - Referee up to 1st class

Teams that are playing in the 2nd class or higher, are obligated by the Nevobo to provide at least 2 V4 referees (or higher). To obtain your V4 licence, you'll have to follow a training which will be organised by SVU somewhere in October (dates will follow). The training will take roughly one afternoon. In this training you will learn more about leading a game, how the behaviour of the referee and players can impact the game and keeping the game fun and fair. You'll learn tips and tricks on how to deal with certain situations and there will be plenty of room for all kinds of questions regarding refereeing.

I would highly recommend signing up, even if you're not obligated to get a V4, for it gives a lot more understanding of the game and confidence as a referee.

If you're interested, scan this QR code!

VS3 - Regional Referee (up to 3rd division)

Teams that are playing Promotion class or 3rd Division are obligated by the Nevobo to have players that can referee at VS3 level or higher. In order to get your VS3, you will have to follow a course by the Nevobo. For more information, see: <https://www.nevobo.nl/official/opleidingen-bijscholingen/opleiding-tot-official/>.

2nd Referee (promotion class/3rd division)

You can also be trained as a 2nd Referee without having to get your VS3 licence. If you follow this course (about 4 hours) you will be able to be a 2nd referee at Promotion class or 3rd Division level. You will need to have your V4 licence before you can take this course. If you have any questions or would like more information on refereeing at a higher level, don't hesitate to email: hoofdtc@svuvolleybal.nl

Financial Information

Contribution

In order to play volleyball in the sport centre everyone has to pay a contribution to SVU. This contribution includes Nevobo registration, contribution for Nevobo's competition, contribution to the VU sport centre, rent for the hall and club contribution for SVU in general. Members who play competition and train 1 time a week pay 229 euros and members who train 2 times a week and play competition pay 259 euros. These 30 euros extra go directly to the trainers who give training twice a week. Members who don't play competition, but train once a week pay 177,50 euros. There are possibilities to pay in instalments(2, 3 or 4 times).

Automatic direct debit

SVU uses automatic direct debit for parties, tournaments, fines and contributions. At the beginning of the year a direct debit authorisation form has to be signed, this means that your payment can be automatically deducted from your account. This means that you will not have to do anything to pay your contribution. Make sure to have enough money on your account for the day of direct debit. Before there will be any money taken from your account there will always be mail sent two weeks in advance. The automatic direct debit for your contribution will be around november. If you are unable to authorise or would rather do payments manually, please add an appropriate description e.g. contribution J. Smith.

SVU's Cheers & Chants

When a ball is served underneath the net

Daar moet op gedronken worden hi ha ho, daar moet op gedronken worden hi ha ho
En iedereen zag het

When the ball hits the antenna

Hij is rood, hij is wit en je weet dat die d'r zit!
De antenne, de antenne!

When your team is in the lead

1 nul en we zien wel weer, jalalala
1 nul en we zien wel weer, jalalala

When the opponent doesn't agree or when it's an ugly point

Punt is punt, ja la la la la!
Punt is punt, ja la la la la!
La la la la laa uit!

(Live is life)

Gents 1 chant

Jaaaa
jaaaaa

When the ball is out of bounds by service/attack

Neun bei neun ist immer noch zu klein,
immer noch zu klein,
immer noch zu klein.

Gents 1 song
Schoppenboer,
Schoppenboer,

When the ball is out

Uit is uit, ja la la la la!
Uit is uit, ja la la la!
La la la la laa uit!

(Live is life)

The Classic Team song

Er is maar één [insert team], één [insert team]. Walking along, singing a song, walking in an SVU wonderland.
Hey hey hey!

(Winter Wonderland)

When the ball falls between the players

Er zit een gat in het veld.
Ja ja een gat in het veld. Oh oh een gat in het veld.
Zo groot als Spaaanje

When a point is scored but a mistake was made, but the ref didn't see

Daar komen ze goed mee weg, maar dan ook heeeeeeeel goed!

When they just won't stop with the bad passes

Ja la la la laa, kets kets, kets kets.
Ja la la la laa, kets kets, kets kets.

When the ball is out of bounds either by service/attack 2.0

Wat is dat veld toch klein
Wat is dat veld toch klein
Wat is dat veld toch klein
Wat is dat veld, toch, klein!

When the ball is hit into the net

Wat hangt dat net toch hoog,
wat hang dat net toch hoog
wat hangt dat net toch hoog
wat hangt dat, net, toch, hoog!

A failing pass from the opponent

Ketsen doe je thuis of in de tent.
Ketsen doe je thuis of in de tent.
Ketsen doe je thuis, hey.
Ketsen doe je thuis, hey.
Ketsen doe je thuis of in de tent!

Another bad pass
from the opponent
Ketseeeeen, ketsen.
Ketseeeeen, ketsen!

When only one point
is needed to win the
set/game
Eén! Eén! Eén!

Sung to confuse the
opponent

Kwallenvissen,
kwallenvissen, hey,
hey,
kwallenvissen,
kwallenvissen, hey,
hey,
kwallenvissen jalalala

When there is a
substitution

Hij zet z'n joker in,
hij zet z'n joker in
hij zet z'n joker in,
hij zet z'n jo-ker
in!

When a point is scored
after a substitution or
time-out

Puntje voor de coach
olé olé!
Puntje voor de coach
olé olé!

When you score a very sneaky tip ball

Leg 'm d'r maar neer, d'r maar neer
Lèèèg 'm d'r maar nee-heer
Jalala lala lalala lalalaaa
Leg 'm d'r maar neer, d'r maar neer
Lèèèg 'm d'r maar néééééééér

(Give it up)

THE SVU SONG
When someone has a
beautiful attack that
instantly scores

Al-tijd thuuteren
Altijd thuuteren
Altijd thuuteren
Toet toet

When you were
trailing behind but
there is just one
point difference
left

Er op en er ooover
clap clap
Er op en er ooover

When you score a
point via the
opponent's block
Viaaaa die handjes
clap clap clap

When someone keeps
scoring points with their
service

Hij/Zij is een servekanon
Hij/Zij is een servekanon
Hij/Zij is een servekanon
Hij/Zij is een servekanon
